

RESPECT YOUR PHOTOGRAPHER

PROFESSIONAL PHOTOGRAPHERS SPEND AN AVERAGE OF

1+ hours of preparing (email, consults, etc.)

1-3 hours shooting

10-30 minutes of editing per picture (4-12 hours)

5+ hours of everything else (driving, posting, ordering, packaging, delivering)

PER SESSION

They invest thousands of dollars in equipment, Software, and props and spend countless hours learning how to produce beautiful images.

They don't get paid vacations or sick days. They Don't get bonuses for outstanding performances or for holiday. They don't have insurance plans or any benefits and 35% of their profit goes straight to taxes.

Please understand that they are business owners and they have a LOVE for photography but that LOVE won't pay the bills.
